Thankyou for visiting the BCRG website. We have many plans for this site ranging from forums to answer any questions you may have, tools and utilities to help the Amateur Radio enthusiast, an Android app with all the information on our repeaters and much more. Please keep coming back to this site on a regular basis as we will be adding new features on a regular basis. Also, if there is anything you would like to see please don't hesitate to contact us with your ideas.

Finally, annual membership fees are now due and can be paid at any Rally we attend or can be sent to the address on the contacts page.

73s to all
